

03.-12.05.2015

Kick-Off-Meetings in China and first sampling campaign

Only one month after the official project start 21 participants from 14 SIGN-partners were travelling to China in order

- to meet the Chinese project partners (CRAES (Chinese Research Academy of Environmental Sciences) in Peking, water works in Suzhou, KIT-branch in Suzhou, NIGLAS (Chinese Academy of Sciences, Institute of Geography and Limnology), Jiangnan University in Wuxi, Tongji University in Shanghai),
- to participate at the kick-off meetings of the Innovation Cluster Major Water and the funding ministries MoST and BMBF with the signing ceremony of a Sino-German joint declaration about the collaboration within the Mega Water Program
- to already take the very first samples from the Taihu region for orienting chemical and biological analyses.

在华启动大会暨首次水样采集活动

来自SIGN项目德方14个伙伴单位的共21人于2015年五月访华，此次访问的目的为

- 与中方伙伴单位进行会晤
- 参加由中国科技部与德国教研部合作举办的重大水专项合作启动大会
- 首次从考察区域太湖采集用于导向性化学、生物分析的水样

此次访华成功组织并积极参与了以下内容：

- 在位于北京的中国环境科学院参加合作启动大会
- 签署德中重大水专项合作联合声明
- 访问苏州某自来水厂
- 与卡尔斯鲁尔理工学院在苏州的分支机构举行见面会
- 参观中国科学院地理与湖泊研究所在太湖的研究实验室，并采集水样
- 访问位于无锡市的江南大学
- 参加上海同济大学的启动大会
